# Women's College: At a Glance

Women's College was established in June 1965 at the heart of the capital. It was one of the Government Colleges in the North-East India catering to the interest of the women folk of the state as well as of the adjoining states. It is affiliated to Tripura University (A Central University) and UGC.

Since its inception, this educational institution is playing pivotal role in disseminating higher education to the women of the state. Alongwith the students of general category, there are students coming from tribal communities, backward classes and other weaker sections of the society thereby making the institution a miniature replica of the state itself. Thus, it has become a centre of quality education for the students coming from every nook and corner of the society. What attracts the most to any stranger is the discipline maintained by the students. The teaching and non-teaching staff of this college is too actively involved even in all the Co-curricular activities of the students. The dedication of the teachers is worth mentioning to carry out their teaching-learning activities for the upliftment of the girl-students of the college. The passing percentage and the performance of the students each year too is worth-mentioning. Many of them have outstanding performance in their university examination.

The College has a glorious history of cultural activities. The students and teachers participate in cultural programmes both within the college and outside. In the arena of sports too, our students have brilliant achievement. Behind all their achievements is the tireless dedication of the teaching and non-teaching staff. NSS and NCC cadres of this college have performed remarkably in national, regional and state-level camps and parades. The college encourages the students in joining these co-curricular activities alongwith their regular academic activities.

The teachers of this institution are engaged in research and related activities alongwith their primary objective of teaching. The teachers of this college organize national seminars, workshops etc. They are also actively engaged in UGC sponsored Minor Research Projects. This college has IBT Hub (Institutional Biotechnology Hub), sponsored by the Department of Bio-Technology (DBT), Govt. of India, which is one of the five Hubs in the state.

A new science block has come up alongwith an administrative block. From this current academic session, another academic block will also be operational. All the science departments (both Life Science & Physical Science) have developed modernized laboratories well-equipped with latest and sophisticated instruments with financial assistance from Department of Science and Technology (DST), Govt. of India, University Grants Commission (UGC), Govt. of India etc. Not only this, the teachers are also busy in publishing their books and research papers from various leading publishers regularly.

There is a distance education study centre of Tripura University and a study centre of IGNOU in this college. This IGNOU study centre is also offering several certificate courses for the students of this college to facilitate education for those who cannot attend classes regularly.

There was also UGC sponsored coaching centres for Remedial classes and Entry into service primarily for the candidates belonging to SC, ST and other backward class (OBC). Added to all these, is a smart class room where teachers and students have access to internet facilities. Both the teachers and students can have better exposure to the world of knowledge through internet.

## Vision

- Strive to give quality education with values in a holistic way for one and all
- The Philosophy is to inculcate wisdom, growth of inner strength, nurturing hidden talents, intellectuality etc.

## Mission & Objectives

The Mission is to:

- Motivate the students to pursue their carrier.
- Inculcate moral values, ethics, social responsibilities
- Create awareness regarding environmental issues, communal harmony and ignite national feeling.
- Strengthen the urge to excel in their field of interest.
- Sensitize the students to be responsive regarding the national and international issues.
- Inculcate the inner strength as womenfolk.
- Excel in utilizing their power in betterment of the life.
- Evaluate one's own inner capabilities.
- Use of improvised technology in imparting holistic education.
- Create awareness regarding health and hygiene and their immediate environment of the students.
- Educate the students in nurturing cohesiveness and brotherhood and inject the virtue of Camaraderie.

## Administration

As a Govt. Degree College, Women's College is fostered by Directorate of Higher Education, for the management and administration alongwith rules and regulations, policies, decisions etc. Principal, being the highest authority of the College supervises and co-ordinates the different aspects for the welfare and smooth functioning of the College. Principal is assisted by Teachers' Council (a body elected by all the teachers of the college annually) which imparts an active role in administrative and academic arena of the college.

## Infrastructure

Women's College is the pioneer institution and the only college for women in Tripura in Tripura affiliated to Tripura University (A Central University)

Across a vast area (about 9 acres) the college encompasses several buildings, traditional class rooms, smart class rooms with audio-visual support and internet connectivity, laboratories, computer centres, offices etc.

Being an extension centre of M. B. B. College in the beginning, **Women's College started its journey in the house of "Laloo Karta", taken over by Govt., containing** a number of academic classes for arts only. However, as per decisions of Directorate of Higher Education a new academic building for arts faculty has been constructed recently and handed over to the college authority. The building consists of academic classes, departments like Environmental science, Physical education and Geography.

**It has a huge auditorium (Matangini Pritilata Sabhagriha) and one modern well equipped smart class room cum conference room.**

The administrative block of this college comprises office of the Principal, Accounts Section, Academic Section, Separate office for DDO etc.

The new science building houses the departments like physics, chemistry, mathematics, botany, zoology, human physiology and computer science. The library of this college is also very rich with almost 40,000 books and journals including rare manuscripts.

The administration has a plan to construct another academic building for arts faculty, Health Centre in near future.

### **Class Rooms and Auditorium**

The augmentation of teaching-learning processes began in a traditional way. Subsequently several class rooms are added for transaction of curriculum. Women's College is also well-equipped with smart-Board, better sitting arrangement, five class rooms with audio-visual components, two smart class rooms for better teaching-learning process.

There are well-equipped seminar rooms in different building of this college. A large auditorium "Matangini Pritilata Sabhagriha" is another praise-worthy academic aspect for the students.

### **Laboratories and Research Activities**

All the science departments i.e. physics, chemistry, botany, zoology, human physiology, computer science, geography and environmental science are all equipped with sophisticated laboratories with all necessary equipments. Apart from this, the college can boast of the ongoing research activities carried out by the faculty members through external sponsors like DST, UGC-NERO, DBT etc.

Recently an **Institutional Level Biotech Hub** with latest equipments has been launched by the Department of Biotechnology (DBT), Govt. of India. The college is actively engaged in organizing work-shops and seminars at regular intervals.

### **ICT Resources**

Almost all the science departments, as well as the offices of the college are equipped with computers and internet connectivity. The college is also in the process of **inter-networking** of all the dispersed building blocks. We have also a plan to setup one dedicated computer centre in the near future.

### **Central and Departmental Libraries**

The library is the teachers and students with a collection of more than 40,000 books, journals, periodicals, reference books with separate reading rooms for teachers and students. There is ongoing plan to digitize the library with **computerized cataloging** of the books. This work is in process. Besides central library, some of the departments have their own departmental library too.

### **Student Welfare and Support Stipend For Students**

Various Stipend Schemes are sponsored by Govt. of Tripura viz. SC, ST, OBC and LIG Stipend and **Ishan Uday Scheme** (Newly Launched Scheme), Govt. of India, are awarded for students.

### **Games and Sports**

The College provides ample opportunities for games and sports to the students. Students of this college participate in many tournaments in the state and National level. Some of our students have been selected in Indian Women Cricket Team. **The Commonwealth Bronze Medalist Miss Dipa Karmakar** is also one of our ex-students. There is a large play ground inside the campus of the college which is used for annual sports. We have a plan to setup one Gynnasium in the Department of Physical Education and Sports Science.

### **Remedial Coaching Centre**

The College receives grants from University Grants Commission (UGC) to run the Remedial Coaching Classes for students of SC/ST and minority category and also to economically weaker section from time to time.

### **Distance Education Centre**

In order to provide higher education to the unreached, a study centre has been established in the college with the aid of Tripura University and IGNOU.

### **Museums**

The Department of Botany and Zoology possess an enriched museum. The Zoological museum has a good number of animal specimens right from the lowest group of Protozoans to the highest groups of Chordates and their major orders.

The Botanical museum also possesses a good collection of herbarium specimens, namely Pteridophytes and Angiospermic flora, fossil specimens, preserved algae and fungal specimens, clay models of vegetative and floral morphology and anatomical structures. The museum also has a rich collection of preserved specimen of Bryophytes and Gymnosperms.

### **Magazine**

An annual magazine "**PRAGNA**" is brought out by the college which enables the students and teachers to express their creative literary passion. Apart from this, a Wall Magazine "**RAINBOW**" by Science departments (Science Building), "**INDRADHANUSH**" by Bengali

**Department are** unveiled every year, where all students irrespective science and arts contribute.

### **Students' Council**

To enhance the overall welfare of the students in general and academic interests in particular, a Students' Council is formed every year through election.

### **Cultural Activities**

To nurture the Indian heritage, Women's College organizes various cultural activities throughout the year. The students, teachers and non-teaching staff of the college wholeheartedly involve themselves in these occasions. Our students not only participate in various competitions but also add feathers to the Institution by bagging position.

### **National Cadet Corps (NCC)**

For more than 63 years NCC, the youth wing of volunteers of Govt. of India is bestowed with enriched moral values and patriotism. To cater the spirit of national integrity and harmony, Women's College regularly encourages the students to join NCC. One NCC programme officer is appointed from faculty members of the college to encourage the NCC students to participate in various service sectors.

### **National Service Scheme (NSS)**

The National Service Scheme (NSS) plays an important role for the students of the nation as it teaches them to be responsive to the call of the society whenever asked for. Keeping this in mind the college encourages students to join as NSS volunteers and to have an idea as to how to serve the nation. The College has a Red Ribbon Club, which is working under the banner of NSS of the College unit in collaboration with Tripura State AIDS control Society. The main objective of this club is to create awareness amongst student community about AIDS-HIV disease and to prevent it from spreading.

### **Guidelines for Internal Assessment (Sessional) Examination:**

1. The marks allotted for Internal assessment (20%) in each course shall be based on the following:
  - a) Sessional Examination I: Written - 40% of the marks allotted for internal assessment.
  - b) Sessional Examination II: Written - 40% of the marks allotted for internal assessment.
  - c) Seminar/Group Discussion- 20% of the marks allotted for internal assessment.
2. Each Sessional examination shall be conducted by the concerned teacher (s) of the course. Setting question papers, invigilation duty, and evaluation of answerscripts for each paper shall be done by the concerned teacher (s) as a part of his/her/their normal duty. The teacher concerned shall fix the date of examination of each course complying with the Academic Calendar of the University. The students shall have to answer in the scripts duly signed by the college/institute concerned.
3. After the evaluation, the answerscripts should be shown to the students and correction should be made if required. After this, the answerscripts should be collected back from the students.
4. THERE SHALL BE IN NO CASE PROVISION FOR REPEAT/BETTERMENT IN THE SESSIONAL EXAMINATION.
5. If a student misses any of the Sessional Examination for any unavoidable reasons, the concerned teacher may allow the student to appear in a separate examination at his/her own discretion.
