A Report on Observation of National Energy Conservation Day-2021

Women's College, Agartala, has been observed National Energy Conservation Day 2021 in the college campus on 6th January, 2022. Every year World Ozone Day is observed on 14th December. However, this year due to certain unavoidable circumstances it was not possible to celebrate on time. The main aim of National Energy Conservation Day is to aware the people about the importance and conservation of energy by using it judiciously. The Programme was organized by Dept. of Environmental Science and Science Forum. Smt. Manidipa Debbarma, Principal of this college, Dr. Ananya Sinha, Dr. Hiraxmi Debbarma were present in the programme. Dr. B.K. Choudhary, Asst. Professor & HOD, Dept. of Environmental Science, Ramthakur College, Agartala were present in the programme as Resource Person. Around 55 students were present in the programme.

The Programme has been started with the felicitation of the Resource Person Dr. B.K. Choudhary. Inaugural address was delivered by Sri Biplab Majumdar, Asst. Professor & HoD, Dept. of EVS and Coordinator, Science Forum. After that, Principal Smt. Manidipa Debbarma address the gathering and elaborately discuss the importance the day and urge the students to act for the conservation of energy. After that an open speech completion and a quiz competition among the various departments was conducted and winners has awarded with beautiful memento and certificate. The Winners of the competition are as follows-

Speech Competition:

1. Maxsina Debbarma 1st Semester - 1st Position.
2. Tithi Roy Choudhury 5th Semester - 2nd Position.
3. Antara Sinha 1st Semester - 3rd Position.

Quiz Competition:

1. Tashmita Datta and Moumita Sutradhar, 3rd Semester - 1st Position.
2. Snigdha Choudhury and Manisha Karmakar, 5th Semester - 1st Position (Combined)
3. Purnima Das and Maxsina Debbarma, 3rd & 1st Semester - 2nd Position.

The programme has been ended with an oath to save more energy by using less energy.

The programme was conducted with the financial support of Tripura Climate Change Cell, Dept. of Science, Technology and Environment, Agartala, Tripura.
