A Report on Observation of National Science Day-2022

Theme: Integrated approach in Science and Technology for sustainable Future

Women's College, Agartala, has observed National Science Day -2022 in the college campus on 13-14 June, 2022. Every year National Science Day is observed on 28th February. However, this year due to certain unavoidable circumstances it was not been possible to celebrate on time. The National Science Day is celebrated to commemorate the discovery of Raman Effect, a phenomenon in spectroscopy, by the Indian Physicist Chandrasekhara Venkata Raman. It also aim to propagate the importance of science and its application among people. Womens college has observed the day through organizing quiz and speech competition among the students. Smt. Manidipa Debbarma, Principal of this college, Dr. Goutam Chel, Dr. Ananya Sinha, Dr. Hiraxmi Debbarma were present in the programme. Mr. Subhranil Ray, Nodal Officer, Science communication Division and PI, NSD 2022 were present in the programme as Resource Person. Around 100 students were present in the programme.

The Science Day Programme has been observed on 13th and 14 June, 2022. On 13th June, Speech and open quiz competition on the theme 'Integrated approach in science and technology for sustainable future' were conducted. On 14th June, Mr. Subhranil Ray delivered a presentation on advancement of science and technology. After that prize has been distributed among the winner of speech and quiz competition. The programme ended with the presidential address.

Speech Competition:

1. Tashmita Datta 4th Semester - 1st Position.
2. Moumita Deb 2nd Semester - 2nd Position.
3. Akangsha Paul 4th Semester - 3rd Position.
4. Sutapa Nandy 2nd Semester -4th Position.

The programme was conducted with the financial support of NCSTC, Dept. of Science, Technology, Government of India.
